

# Bibs n Blankets DIY

### What you need:

- .3m x 2 fabrics ( flannelette, cotton, chenille, terrycloth or a combination)
- 1 snap
- scissors, pins, thread, sewing machine

### What you do:

Print out the pattern (pattern file link).

EASY

1. Place 2 pieces of fabric together, pin pattern and cut, marking notches where indicated.

2. Sew the 2 pieces right sides together leaving an opening between notches and clip corners and curves

3. Turn right side out and press flat folding opening edges to inside. Edgestitch around entire bib.
4. Attach snap where indicated by the X's

### EXTRA-EASY

Follow step 1 above

5. With wrong sides together, sew around entire bib
6. Fringe edges by clipping all the way around (will get even better with washing)

7. Attach snap as in step 5 above

### Sew Easy Baby Blanket

What you need:

- 1m each flannelette and chenille
- Scissors, pins, thread, sewing machine

What you do:

1. Cut 2 pieces of fabric to the same size and pin wrong sides together.

2. Stitch around entire piece leaving a 10cm (4") opening.

3. Turn right side out, press and edge stitch. Keep it simple with a straight stitch or add some extra detail with a zigzag or other embroidery stitch.
