Round Vase  
Ribbons and Trims in Different Sizes and Textures  
Hot Glue Gun

Measure around your vase and add 2.5 cm/1" so there is enough ribbon to wrap around the entire vase with no gap.

### STEP TWO

### STEP THREE

Keep wrapping ribbons around the vase!

Use Organza Ribbon to tint the clear glass with soft colour.

Try adding Lace or Grosgrain for some delicate texture.

Add some fresh flowers, and you're done!
