

GO CANADA!!

Fun & Easy-to-Make Cheer Gloves

You will need: One pair of red gloves, one package Canadian flag appliques,
total of 10 red & white 5cm pompons OR make your own with
a pompom maker and red & white yarn.

STEP 1

Attach flag applique to the glove, iron to make the bond permanent.
(Place a piece of paper between the layers of the glove to ensure the applique only sticks to one side.)

STEP 2

To make your own pompoms, use the pom-pom maker. Alternate wrapping red & white yarn to create two-color pompoms, or make solid red & white.

STEP 3

Thread a yarn needle with red yarn and stitch pompoms to the tip of each finger of the glove. (If you are using ready-made pompoms, a regular thread and needle will also work.)

Now get cheering!!
