

# Grommet Cushions

What you need:  
 .5m decor fabric  
 .5m cotton fabric for lining  
 3x 3.6cm grommets  
 43cm (17") zipper  
 2m x 38mm (1 1/2") ribbon  
 scissors, thread, sewing machine  
 1.25cm (1/2") seam allowance

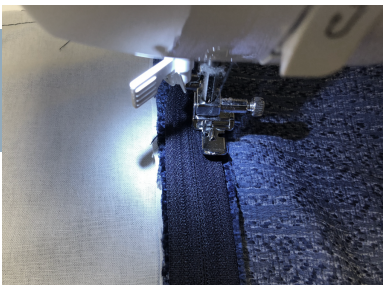

1. Cut 2 pieces of the decor fabric and 1 piece of the cotton fabric 45x45cm (18x18").

2. Mark center of front piece of decor fabric and use the grommet template on package to mark a circle. Measure 12.5cm (5") on either side and mark 2 additional grommet placements.

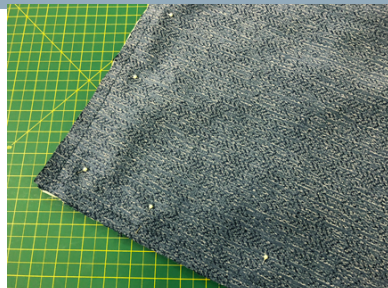

3. Cut out the circles and snap grommets in place.

4. Baste lining to wrong side of front cushion piece. With right sides together, pin front and back cushion pieces. Sew a 4cm (1.5") seam from each side on the bottom edge, baste the center portion and and press open.

5. Position zipper face down centered along seam, pin and using a zipper foot, sew in place. Remove basting and open zipper.

6. With right sides together, pin and sew front and back cushion pieces along remaining 3 edges.

7. Turn right side out and insert a pillow form to stuff. Zip closed. Lace the ribbon around the back and through the grommets tying in a bow through the center grommet.
