

# Bibs n Blankets DIY

## BIB

### What you need:

.3m x 2 fabrics (flannelette, cotton, chenille, terrycloth or a combination)  
1 snap  
scissors, pins, thread, sewing machine

### What you do:

Print out the pattern file

#### EASY INSTRUCTIONS

1. Place 2 pieces of fabric together, pin pattern and cut, marking the opening and snap location where indicated.

2. Using a 1.25cm (1/2") seam allowance sew the 2 pieces right sides together leaving an opening between markings. Clip and notch curves.

3. Turn right side out and press flat with open edges to inside. Edgestitch around the entire bib.

4. Attach a snap where indicated by X.

#### EXTRA EASY INSTRUCTIONS

Follow step 1 above

5. With wrong sides together, sew around entire bib.
6. Fringe edges by clipping all the way around as shown (will look even better with washing).

7. Attach snap as step 5.

## SEW EASY BABY BLANKET

### What you need:

1m each flannelette and chenille  
scissors, pins, thread, sewing machine

### What you do:

1. Cut 2 pieces of fabric to the same size and pin right sides together.
2. Using a 1.25cm (1/2") seam allowance, stitch around the entire piece leaving a 10cm (4") opening.

3. Turn right side out, press and edge stitch. Keep it simple with a straight stitch or add some extra detail with a zigzag or other embroidery stitch.
