

# NO-SEW DOG BED

What you need:

fleece \*

quilt batting \*

grid ruler

rotary cutter

\* see back for size guide

What you do:

Instructions based on medium sized dog recommendation

1. Cut 2 rectangles of fleece adding 6" (15cm) all the way around.  
(30x20" + 6" = 36x26")

2. With both pieces together, cut 1" (2.5cm) strips, 3" (7.5cm) long around all edges.

3. Cut quilt batting to the size of the center (30x20"). Center on top of the wrong side of one layer of fleece and add the 2nd layer of fleece right side up on top of the batting.

4. Double knot 1 strip from the top to the corresponding strip on the bottom along all edges.

Optional: Hand tack at regular intervals to secure all layers together.
