- Sewing Machine & Thread
- Water Soluble Dressmaking Pencil
- 1 pkg Pellon® Wrap-N-Zap™ Cotton Batting
- 9" (23 cm) Cotton Fabric for Lining

Step 2: You should now have three pattern pieces.

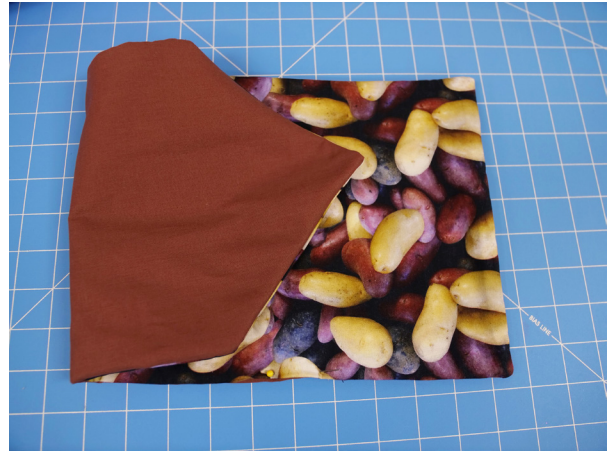

Step 3: Layer the fabric right sides out with Wrap-N-Zap™ cotton batting in the middle.

Step 4: Measure and pin a 3" (7.6cm) opening on one of the side edges. This will be used to turn the project right side out.

Step 5: Stitch around all sides and back stitch leaving the 3" (7.6cm) opening where the pins have designated in Step 4.

Step 6: Turn the fabric right side out. Stitch the opening closed.

Step 7: Fold 7-1/2" from the flat bottom and top stitch along sides to create pocket.
