

# Baby Mobile Hot Air Balloon

## What you need:

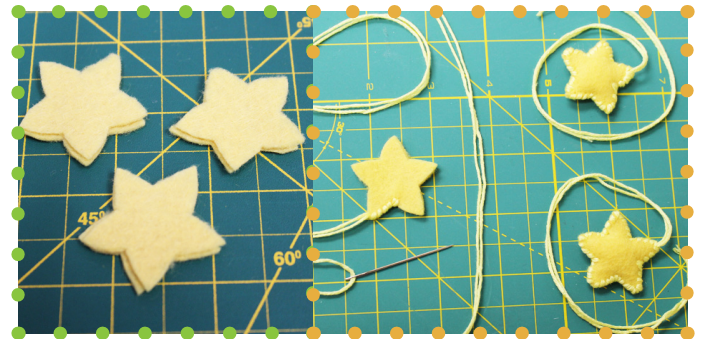

- Sewing Machine & Thread
- Pencil, Scissors & Pins
- Embroidery Hoop & Floss
- Lightweight Felt
- Pom Pom & Tassel Trim
- Glue Gun & Glue Sticks

Step 1: Trace and cut out Basket pattern from Lightweight Felt. Sew at 1/4" (0.6cm) to create a box. Then sew at 1/8" (0.3cm) along the bottom perimeter to create a faux seam. Turn inside out.

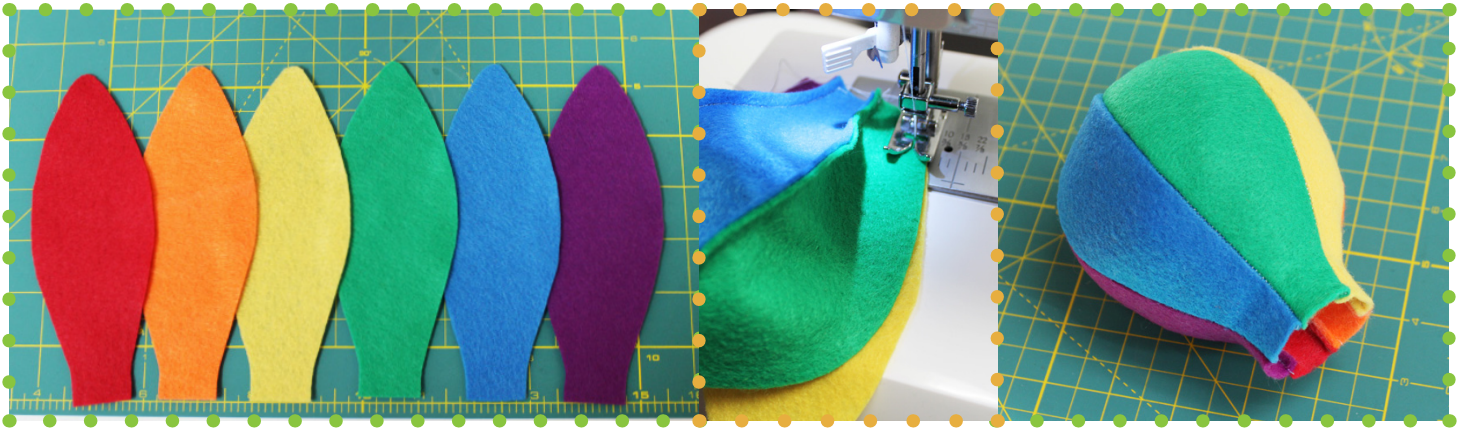

Step 2: Trace and cut out Small and Large Cloud patterns from Lightweight Felt. Starting from the top, Blanket stitch pairs together with Embroidery Thread. Leave various lengths of excess thread.

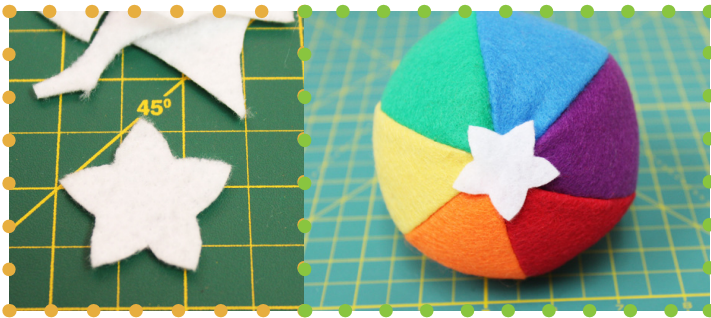

Step 3: Trace and cut out Star pattern from Lightweight Felt. Starting from one point, Blanket stitch pairs together with Embroidery Thread. Leave various lengths of excess thread.

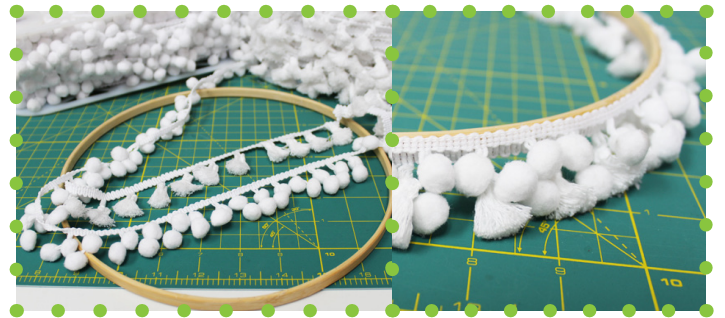

Step 4: Trace and cut out Balloon pattern from Lightweight Felt of various colours. Sew side seams to each other at 1/4" (0.6cm) starting from the bottom. Turn inside out and stuff with excess felt or scrap fabric.

Step 5: Trace and cut out Star pattern from Lightweight Felt. Glue to the top of the Hot Air Balloon.

Step 6: Attach fun trims to the outside rim of the embroidery hoop with hot glue.

Step 7: Cut three pieces of trim at 14" (35.5cm) each. Space them equally apart on the inside of the hoop and glue in place. Tie together at the top.

Step 8: Glue pieces of trim along the raw edges of the Basket and Balloon openings.  
*\*Optional: At this stage you can decorate the Balloon with Rick Rack, Buttons or other fun notions.*

Step 9: Using Transparent Thread or Embroidery Thread attach Balloon, Clouds and Stars to Embroidery Hoop. Hanging them at various heights as you go.

Step 10: Sew Embroidery Thread to the four corners of the Basket and attach to the bottom opening of the Balloon.
